

**Job Title:** AGM Finance Application.

**Location:** Pune

**Company:** Aditya Birla Memorial hospital

**Position Overview:**

We are seeking an experienced and detail-oriented Manager of Finance to oversee our financial operations and ensure the company's financial health. The ideal candidate will have a strong background in finance, excellent analytical skills, and the ability to lead a team effectively.

**Responsibilities:**

- Oversee all aspects of the company's financial management, including budgeting, forecasting, and financial reporting.
- Develop and implement financial policies and procedures to ensure compliance with regulations and best practices.
- Manage the preparation of financial statements and reports for internal and external stakeholders.
- Monitor cash flow, investments, and expenses to ensure optimal financial performance.
- Provide strategic financial guidance to senior management to support decision-making.
- Lead and mentor a team of finance professionals, providing coaching and development opportunities.
- Collaborate with other departments to identify and implement process improvements to streamline financial operations.
- Stay current on industry trends and best practices in finance and accounting.

**Qualifications:**

- CA degree is mandatory
- 18 + years of experience in finance or accounting roles, with 5 years in a leadership/Senior position.
- Strong knowledge of financial principles, practices, and regulations.
- Excellent analytical and problem-solving skills.
- Proficiency in financial software and systems.
- Ability to communicate effectively with stakeholders at all levels of the organization.
- Proven leadership and team management skills.

**Benefits:**

- Competitive salary based on previous CTC
